November 2016

Message from the President

All changes to phone numbers, addresses (postal and email) should be sent to Brian Mosen brianmosen@xtra.co.nz

With several long standing committee members standing down at the AGM in November please give consideration to nominations to the committee or putting yourself forward for nomination.

Critical positions requiring nominations are for Vice-President, and Secretary.

An interesting speaker has been arranged for the meeting.

Lynette is Oral History Advisor at the Alexander Turnbull Library. Her MA thesis was on Haining Street. Her grandparents came from Guangdong and she spent the first year of her life in her grandmother's laundry round the corner from Haining Street. She hopes to one day turn her research into a book.
